"Your grant will continue to provide our students and community with a lifelong gift."

Jeya Carmichael, Adrian Middle School 5-6

Message From the Chair of the Board and President & CEO

In the classic children's book, *The Little Engine that Could*, a train had a goal of carrying wonderful things to boys and girls on the other side of the mountain. Despite some challenges, eventually a little blue engine came along to help with an "I think I can" attitude, and the goal was accomplished.

The Lenawee Community Foundation began with a goal – our mission – to improve the quality of life for Lenawee citizens. Even though there have been some challenges along the way, we are blessed with a great Board of Directors with a "can do" spirit, donors who believe in the work we do, and numerous individuals and organizations that partner with us.

The Lenawee Community Foundation 2008-2009 fiscal year was exciting as we assisted individuals, businesses, and organizations in achieving their charitable goals for our community. Despite a challenging economy, the Foundation:

- Distributed \$1.4 million in grants and scholarships – 65% more than the previous year.
- Provided Extreme Community Makeover Grants to seven area communities, plus matched \$5,000 in gifts to 5 area communities with \$5,000 grants, bringing funds for specific communities to more than \$4.8 million.
- Kept operating expenses to only 1.8% of total assets, plus over 93% of our expenses were for programs.
- Achieved short-term investment returns that exceeded their benchmarks by 310 basis points, while long-term returns achieved results 70 basis points above the benchmarks.
- Received a second-year Volunteer Centers of Michigan grant for VOLUNTEER Lenawee! and an AmeriCorps*VISTA full-time volunteer to strengthen our volunteer center.
- Initiated the Imagination Library, a program that delivers a new book each month to children ages 0 to 5. The first book that each child receives is *The Little Engine that Could*.

Scholarships and grants in the areas of civic, cultural, health, education, and social services helped to: feed hungry people, build wheelchair ramps, beautify local towns, assist unemployed persons, offer youth career exploration, create a women's health center, provide affordable housing, support veterans, give college scholarships, shelter women and children from domestic violence, support the arts, provide youth programs, and more.

The Lenawee Community Foundation is *The Community Foundation that Could*. We invite you to read about our efforts that have made Lenawee a better place, and join us in making Lenawee even better. As the only nonprofit working primarily for the future of Lenawee, you can climb aboard this engine that is a major force **for good for ever**. We invite you to consider leaving a legacy to your community. However you wish to make our community better, the Lenawee Community Foundation is ready to assist you in making your goals a reality. We know we can!

Sincerely,

David S. Hickman
Chair of the Board

Funds within the Lenawee Community Foundation

Existing funds may be utilized for gifts, or donors may establish new funds in the Lenawee Community Foundation. Funds are categorized in seven areas: Lenawee, Lenawee Leadership, Field of Interest, Donor Advised, Designated, Lenawee Community Projects, and Scholarships.

There are several ways to establish funds to meet the charitable interests and financial circumstances of individuals, businesses, and organizations. A commitment of \$10,000 is required to establish a fund, however gifts in any amount are accepted for existing funds.

A named fund can be established in your name, a business or organization name, the name of a person you wish to honor, or the name of a person for whom you wish to create a lasting memory.

Lenawee Community Foundation Fund Values by Fund Type

Following is a description of each type of fund and a list of the funds. *In addition to federal tax deductions, Michigan taxpayers receive state tax credits for gifts to endowed funds in community foundations. Endowed funds are those which invest gifts permanently, while utilizing the earnings for grants.*

Each fund marked with an asterisk () is endowed and qualifies for the Michigan Tax Credit. For additional information on tax benefits, see page 9.*

Lenawee Fund

The Lenawee Fund is a multi-purpose, flexible, endowed fund to meet current and emerging needs. Donors may choose the Lenawee Fund if they believe that a group of living individuals will always be better able to assess current situations than a document from the past. This fund is designed to meet emerging needs, respond to change, create innovative approaches, and enhance the quality of life in Lenawee County. After the Lenawee Community Foundation Board of Directors evaluates all aspects of community well-being, grants are given by the Lenawee Community Foundation Board to areas of greatest need.

Lenawee Leadership Funds

These non-endowed funds have been established to provide support for current community needs, or support for the Lenawee Community Foundation's administration or leadership role in the Lenawee County community. Disbursements are made by the Community Foundation Board.

Field of Interest Funds

A Field of Interest Fund allows a donor to support a broad area, such as health, youth, the arts, services to seniors, economic development, or whatever charitable issue the donor chooses. Donors may also support their home community, where local advisory committees make recommendations for grants. A personal interest area is identified when the gift is made, and then the Lenawee Community Foundation Board of Directors makes grants to community agencies and programs that are making a difference in the area that has been selected.

"A gift from the heart is the greatest gift of all. We are very grateful to have a partnership with you and appreciate your continued generous support of Herrick Medical Center. Your continued advocacy and leadership is paramount to the future of ensuring all women access to healthcare services."

Donor Advised Funds

A Donor Advised Fund allows the donor to have ongoing involvement in the use of gifts. Donors share insights and make recommendations regarding potential grant recipients. The donor's suggestions must be reviewed and approved by the Community Foundation Board. A Donor Advised Fund acts much like a private foundation, however, it is easier to establish, less expensive to operate, and less restrictive in distributions, payout amounts, and investments.

Benefits of Giving

What are the Benefits of Giving?

Supporting the Lenawee County community and its future is the key reason most contributors choose to give to the Lenawee Community Foundation. Other advantages of being a donor include:

- Local Impact — Staff, board members, and local residents work together to assure that grants are targeted for the maximum benefit for our community.
- Permanence — Most gifts to the community foundation are endowed to last and make an impact forever.
- Accountability — Board members assure accountability to the community through sound financial and investment policies and management, including professional investment managers and an annual audit.
- Economies of Scale — Although each fund has its own identity, purpose, and data tracking, funds are pooled for investment purposes. This reduces risk, maximizes performance, and lowers overhead costs for each fund. There are many ways to contribute and accomplish one’s charitable objectives, while minimizing paperwork that individuals might have to do on their own.
- Tax Advantages — Federal tax deductions and Michigan tax credits are available to donors.

How does the Michigan Tax Credit Work?

Once all the tax savings are taken into consideration, the net cost of a cash gift to the Lenawee Community Foundation or any of its more than 100 endowed funds is considerably less than the original contribution.

After the state tax credit and a federal tax deduction, a \$400 gift can cost a married couple less than \$65, including the stamp. Following are some examples of the tax benefits.

	Single Taxpayer	Married Taxpayer	Resident Estate or Trust or Corporation
Amount of Gift	\$200	\$400	\$10,000
State Tax Credit	\$100	\$200	\$ 5,000
Federal Tax Rate	33%	35%	34%
Federal Tax Savings	\$ 66	\$140	\$ 3,400
Total Tax Savings	\$166	\$340	\$ 8,400
Actual Cost of Gift	\$ 34	\$ 60	\$ 1,600

The Michigan tax credit is a 50% tax credit up to \$100 for single taxpayers, \$200 for married taxpayers, and \$5,000 for resident estates and trusts, or businesses filing Michigan business tax returns. The actual cost is calculated in the year of the gift. Federal tax savings vary depending on one’s income level and tax bracket. To request a brochure about the Michigan Tax Credit, contact the Lenawee Community Foundation at 517.423.1729. This chart is for informational purposes, and we recommend that you consult with your personal tax advisor for assistance with tax credits.

What are Some Ways to Contribute?

The Lenawee Community Foundation recognizes that each individual, family, organization, or corporation with whom we work has unique charitable interests and financial circumstances. Your attorney, accountant, insurance agent, financial planner, or trust officer can assist you in determining the methods that will achieve your charitable goals, while receiving the maximum tax and legal advantages allowed for your gift. You may also contact the Lenawee Community Foundation at 517.423.1729 for further assistance.

Lenawee YOUTH Council

Amazing! That is the word to describe the Lenawee YOUTH Council (LYC) members who led and participated in Youth Leadership summer day camps, conducted a grant process for the Kellogg Youth Fund, and volunteered to make our Lenawee community a better place.

During the past year the LYC:

- ✓ Assisted with the Associated Charities Thanksgiving and Christmas food basket programs.
- ✓ Gardened at HOPE Community Center's community garden.
- ✓ Created the Teen Resources Unlimited card, a listing of services available for young people in our area.
- ✓ Wrote letters from Santa to preschool children.
- ✓ Granted almost \$10,000 to 12 local youth-serving organizations.

During the grant process they: read and evaluated 5-10 pages of information for each request; asked tough questions; decided which needs were most important; advocated for their opinions; reached consensus on funding decisions; and presented their grant recommendations to the Lenawee Community Foundation Board of Directors for approval.

For a complete list of the Kellogg Youth Fund Grants see page 11.

One of the youth grants was for *Strive Today - Thrive Tomorrow*, an event that assisted families facing struggles due to the current economy.

Breinne Reeder & Eli Francoeur serve as Youth Representatives on the Lenawee Community Foundation Board of Directors.

"What a fabulous gift to Lenawee County children, parents, and teachers. As a school employee working extensively with kindergarten students, I look forward to experiencing the impact of the Imagination Library first hand as a professional and a mother."

Molly, Lenawee County Parent

VOLUNTEER Lenawee!

Volunteerism is a pathway to solving some of our community's most pressing issues. At a time marked by economic challenges, individuals and families across Lenawee County have jumped on board to strengthen our community through volunteer service and enrich their own lives.

In our first year, Cheryl Beauchamp, an AmeriCorps*VISTA volunteer, provided the "I think I can" spark for the Lenawee Community Foundation's volunteer center, VOLUNTEER Lenawee! Over 200 community members volunteered more than 2,000 hours of service. Also 50 new community partnerships were established.

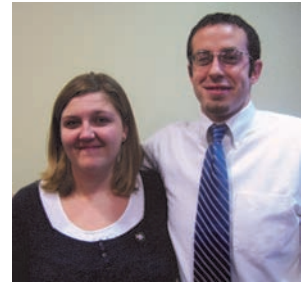

VOLUNTEER Lenawee! continues to serve ALL nonprofits and ALL residents. We do not limit our services to a particular issue, group of people, or type of activity. We assist:

- ☒ Individuals seeking volunteer opportunities or community resources.
- ☒ Nonprofits that need volunteers or community resource referrals to assist their clients.
- ☒ Volunteer administrators who desire continued education in volunteer management.

If you want to get involved or need resources:

- ☒ Visit us at www.1-800-Volunteer.org.
- ☒ Call 1-800-Volunteer (865-8683), and enter your zip code or call directly at 517-424-6569.
- ☒ E-mail us at ptrentman@ubat.com.
- ☒ Visit our office at 603 North Evans Street in Tecumseh. We recommend that you call ahead for an appointment.

Cheryl Beauchamp, former AmeriCorps*VISTA & Anthony Sacco, current AmeriCorps*VISTA

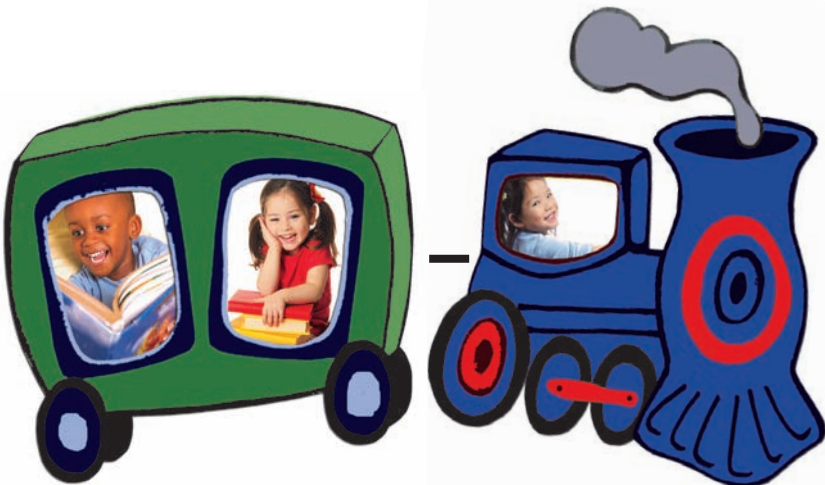

A portion of funding for VOLUNTEER Lenawee! comes from a Volunteer Investment Grant via the Volunteer Centers of Michigan/Michigan Nonprofit Association from the Michigan Community Service Commission.

Lenawee Imagination Library

What is Lenawee Imagination Library?

The Lenawee Imagination Library delivers a new, age-appropriate book every month to children ages 0 to 5, who live in Lenawee County. Although families are not charged to receive books, the cost is approximately \$30 per year, per child.

For information about the program or a registration form contact the Lenawee Community Foundation at 517-423-1729, shammersmith@ubat.com, or visit www.lenaweecf.com.

"My parents came from humble backgrounds," stated Marilyn Underhill, daughter of V.C. and Velma Knight. "But, they did well financially and were able to help hundreds of people in their lifetimes."

But V.C. and Velma Knight have done much more than help people in their lifetimes. Although Velma passed away in 1980, and V.C. in 2005, they continue to help others. In fact, their most recent grant distributions of \$25,000 will assist thousands of Lenawee residents with their basic needs.

Their "dedication to help their fellow human beings," according to their daughter, is alive today because of the legacy they left. Currently, their legacy is providing counseling services, assisting the Catherine Cobb Domestic Violence Shelter, building wheelchair ramps, helping to renovate a Habitat home, and providing food to people in need.

V.C. was a pioneer in the air conditioning business and owner of Addison Products Company, while Velma was a lifelong Bible scholar. But, today they're known as caring people, who chose to leave a legacy that will live *for good for ever*.

Please consider including the
Lenawee Community Foundation
in your will or estate plan.
For good. For ever.

"On behalf of the St. Mary's Social Concern Committee, please pass on our most sincere thanks. The grant will allow us to better assist nearly 2,600 families in Lenawee County in dire need of food and other emergency assistance."

Constance Reid Guffey, St. Mary's Social Concern Committee
