Helping Hand, is a streamlined state site that will help the unemployed and others enduring economic hardship to easily find programs and services that may assist them. People will see five color tabs labeled jobs and training, unemployment benefits, health care, family support, and housing. By clicking on those five tabs, people will find links to programs and services for their particular areas of need. Through Helping Hand, people for the first time will be able to apply for food assistance online, without first visiting their local Department of Human Services. Visit http://www.michigan.gov/helpinghand

To get answers about U.S. Government benefits call 800-333-4636 or visit www.Answers.usa.gov
