**Low basis stock is an excellent charitable asset. If you have held appreciated stock for more than a year, consider making a gift of stock rather than cash. You can generally deduct the fair market value of the stock, while also avoiding the capital gains tax you would otherwise need to pay if you sold the stock outright.*

Qualified Charitable Distribution from IRA - If you are over 70½, you may direct up to \$100,000 annually to be gifted directly from your IRA to the Health, Happiness and Hope Fund. The amount donated is excluded from your taxable income and can count towards your Required Minimum Distribution.

Thank you for your generosity and support of our community!
