## Grain Contribution Form

Michigan producers can support the Lenawee Community Foundation through providing gifts of grain at the elevator. Farmers can contribute any grain product at the elevator of their choice. The funds generated by the sale of the grain can be used to support the program or community foundation fund of your choice.

All contributions will be based on the value of the grain once it has been sold.

Fill out this form below and provide it to the elevator upon arrival.

**The funds are to be mailed directly from the elevator to the Lenawee Community Foundation and distributed into the account selected along with a copy of the sales slip.**
